

## eRefund

### Make disbursing refunds effortless

Releasing your students' financial aid and general funds just got fast and easy with Transact Payments powered by Cashnet eRefund.

#### Benefits for your staff

Securely provides electronic processing for financial aid and other types of refunds

Tracks student requests to receive electronic refund disbursements

Helps reduce administrative costs and the need for paper checks

Provides seamless integration with your ERP system

### It's as easy as 1-2-3:

- 1** Students log in to the Transact Payments powered by Cashnet platform.
- 2** Students enter their bank account information to release funds.
- 3** Students receive a disbursement notification via email and/or text when funds are on their way.

#### Key features for students

- Facilitates easy fund disbursement to a student's designated bank account
- Provides online enrollment to expedite receiving funds as a direct deposit
- Sends automatic disbursement notifications via email and/or text
