

## Payment Plans

### Give students more ways to pay

Payment Plans give you the option to offer flexible tuition plans to help your students manage the growing costs of higher education. Choose between full-service or software-only payment plans.

### Full-service Payment Plans

A comprehensive cost-savings solution for your school

Seamless integration with your campus portal

Save on administrative and marketing costs

Detailed transaction and balance data insights

Immediate access to collected funds

Dedicated support representatives and call-in number

Marketing assistance to increase adoption rates

Customized plans for services including tuition, housing, and meals

Choice of payment methods—credit card, ACH, 529 plan, IFT, or campus card

### Payment Plans software

Our Payment Plan software solution allows students or authorized payers to enroll in one or more payment plans. You have the ability to design and manage the plan to meet your administrative needs.
